*Kia ora ra e te whanau*

Hopefully you enjoyed some rest and relaxation over *Labour weekend* and kept well.

As you know teachers have been beaver away finalizing student assessments and completing student reports. Teachers will issue these on Friday so check your child's bag incase forgetfulness sets in. As I read each one, I appreciate the scope of learning across curriculum that each *tamaiti*/child undertakes. Likewise, the breadth and depth of programmes teachers and aides have on offer for our *tamariki*/children (*Whaea Liz*).

Just a reminder that there is still a significant amount of time left till the end of the term and teachers will continue with their respective programmes. Likewise monitoring and assessing children's progress will continue. There is sufficient time for children to make further progress which teachers will document.

### Gymnastics

Our children Y1-6 were thrilled to start gymnastics last Friday with Abe from BigAir Gym. Abe is just fantastic with our tamariki. I (Whaea Liz) was fortunate enough to be with Harakeke and as you can see from the photos, the children loved the experience. Harakeke is counting down the sleeps till the next session.

**Reminder to please pay your child's gym fees of \$29.50 via KINDO-online school shop or a payment can be made direct to our bank account 12-3141 0350817 00 (please include your child's name in the reference details) or pop into the school office to pay. Very much appreciated.**

## Sun Protection

The school has a policy that asks all students to apply sunscreen and wear a sunhat during Terms 1 and 4. Students without appropriate sun protection will be asked to sit in the shade during break times. The best type of sunhat is one that covers the ears and neck. Please note that ultraviolet radiation levels in the New Zealand summer, as measured by the Ultraviolet Index (UVI), are about 40 percent more than countries at similar latitudes in the Northern Hemisphere (Source: Cancer Society NZ).

**Please name your child's sunhat.**

Clyde Quay School welcomes Shoumic, Caleb, and Gwendolyn in Harakeke, Noah in Pohutukawa, Te Awatea in Karaka, Britta in Ngaio, Evelyn, Jeremiah, and Kang Yao in Rimu.

## WAF QUIZ & AUCTION NIGHT – THANK YOU!!!!

A huge thank you from WAF to all who attended the quiz night last night at Waitoa Bar and participated in the auction (whether in person or online). It was a super fun night with some very tricky questions and a particularly difficult music round aced by Alice! The competition between teams and bidding was fierce.

We have raised over \$13,000 which goes to fund our future readers – the school's very successful reading recovery programme. A HUGE thank you to our hosts for the evening Mark and the Team at Waitoa Brewery, our auctioneer Brent Gilbert from Lowe & Co, and local businesses who donated lots for the auction—Ortega Fish Shack, Wellington Helicopters, Buoy Salon and Spa, Eddy Movement, Nature Baby, Yvette Edwards, Good Books, Fix and Fogg, Lowe & Co, Tomboy, YU MEI, Sofitel Wellington, Dreamscape Glamping, and Caughtley, Regional Wine and Spirits, and the Embassy, and Chaffers New World for prizes for the quiz.

WAF are amazed by the generosity of our school and business community and look forward to seeing reading recovery help more students master their literacy skills in the coming year.

## ENROLMENT FOR 2023

The Board invites applications from parents *who live outside of the home zone* and who wish to enrol their child at Clyde Quay School in 2023. Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office.

Applications can be made by returning a completed enrolment form available from the school office or on the school website [www.clydequay.school.nz](http://www.clydequay.school.nz). **The deadline for receipt of applications for out of zone places is 12 noon Friday 4 November 2022.**

Parents of students who live within the home zone should also apply by this date to assist the school to plan appropriately for next year.

The board has determined that a total of 25 places are likely to be available for out of zone students next year in all year levels. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

If the number of out of zone applicants exceeds the number of places available, students will be selected by ballot. If a ballot is required, it will be held on 4 November 2022. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.
