

Technicolour Kids ASC Parent/Caregiver Information Form and Contract

Welcome to Technicolour Kids After School Care Programme.

Enrolment is finalised upon completion of an enrolment form and the signing of this sheet. Please inform staff of any relevant changes to your enrolment details. It is crucial we have up-to-date information.

Food

We will provide a nutritious afternoon tea for your child. If s/he has any allergies, please make sure this information is included on the enrolment form.

Absences

Once your child's name is on the roll, we expect him/her to be at the programme after school unless we have been notified by the parent/caregiver. Texting/calling the Technicolour Kids mobile phone at any time (027 381 3409) will enable you to do this. If we have not been notified and your child does not arrive, we have a procedure in place which will enable us to locate her/him as quickly as possible. Your child's safety is paramount to us.

Collecting your child

If a person arrives to collect your child whose name is not on your enrolment form, then we are obliged for your child's safety to keep your child in our care until you have been located for consent. To save embarrassment for all concerned, we would appreciate prior notification from you on this matter. Please remember that the programme closes at 5.30pm.

Signing your child out

Each day when you collect your child, it is a requirement that you sign your child out in the daily roll book. The supervisor will show you where this is. We need to know that your child has gone home safely.

Policies and Procedures

Please see the supervisor if you wish to view our Policies and Procedures folder. It contains detailed information on health and safety, making complaints, employment practices, etc.

Behaviour management

We use behaviour management techniques that encourage positive self-esteem development. It is our goal to ensure that children and families experience an environment where they are safe, secure, respected and their dignity is protected. This is done through the use of positive reinforcement and a stimulating and varied programme to ensure against boredom. Every effort will be made to help your child settle into the programme. If a child's behaviour is consistently harmful to the other children, parents will be asked to remove him/her from the programme.

Emergencies

Our staff are trained to deal with emergencies. In the case of a serious accident involving your child the staff will contact you and take your child to the nearest medical facility. In a civil emergency the staff will remain at the centre until all children are collected.

Child safety

The programme has a detailed child protection policy, which includes the reporting of any suspected child abuse to the Department of Child, Youth and Family Services (CYF).

Complaints

The programme has a complaints procedure which is displayed in the room where we are based. If you have any problems please approach the supervisor, manager, school principal or Board of Trustees representative. They will be happy to assist you with your concerns.

Sick children

Please do not send along sick children, as we do not have the facilities to care for them. If a child becomes ill during programme hours, they will be made comfortable, and parents will be called and asked to collect them.

If you have any queries or concerns, the manager is always available for you. We look forward to getting to know you and your child.
